

# Fall for our Spring Bulb Sale

Plan now for a bevy of spring blooms. We've selected only the best quality bulbs from the same source we use for the Gardens' glorious and long-lasting displays. And even better, your purchase supports the continued growth of the Gardens. **Pricing and order form on reverse side.**

## Tulip Big Ups

(Great Lawn)

An inviting, ever-changing blend of strong-growing, large-flowered Darwin Hybrid tulips. They welcome all viewers with a hello shout. A different look from every angle.

**PLANT HEIGHT:** 22 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Mid  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip Heart

(Lerner Garden of the Five Senses)

Stately, slender lily-flowering tulips in handsome ivory-white and glowing red. Both carry gently reflexed flowers on tall, sturdy stems.

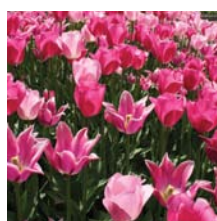

Excellent for cutting. Can be massed in a display bed or planted here and there in a perennial garden.

**PLANT HEIGHT:** 22 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Late  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip See View Plait

(Entry Walk)

Three tulips—a silvery pink, a mauve and a purple with a sparkling white edge—interweave in perfect harmony.

They deserve a prominent location where people may admire them. Can also be sprinkled through a perennial border.

**PLANT HEIGHT:** 18 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Mid-Late  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip Sultans of Spring

(Rose & Perennial Garden)

Long and lovely tulips in rich colors bring royalty to the garden. As cut flowers, they have no rival: few tulips give as much pleasure as they unfold their beauty in a vase. Whether you cut them or leave them, you will adore them.

**PLANT HEIGHT:** 30 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Mid  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip Pink Cloud

(Burpee Kitchen Garden)

Luscious peony-like tulips of soft baby pink and pure snow-white. A blend of special loveliness, best planted in large drifts. Excellent for cutting.

**PLANT HEIGHT:** 16 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Mid-Late  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip Rainbow Coalition

(Great Lawn, just outside the Visitor Center)

Here is one of those color arrangements only tulips can bring: orange opens first, then red joins in, and purple closes ranks. In the end, the three bloom together for up to two weeks.

**PLANT HEIGHT:** 18 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Mid  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip Stop the Car

(Barters Island Road Entrance)

Flamboyant apricot-orange flowers, touched with yellow at the base, open first. Satiny plum-purple blooms soon join in, creating a remarkable blend that will slow them down.

**PLANT HEIGHT:** 18 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Early-Mid  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip Cool Out

(Burpee Kitchen Garden)

Glistening white lily-like blossoms and dark maroon goblets float above a tapestry of pink and white peony-shaped doubles—a beautifully choreographed show.

**PLANT HEIGHT:** 24 & 16 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Late  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Tulip Black Tie

(Entry Walk)

Two handsome tulips decked in glistening white and deep, dark maroon carry themselves on tall stems. A rich contrast that will add a stately touch to the border in late spring.

**PLANT HEIGHT:** 25 inches  
**BULB SIZE:** 12+ cm  
**BLOOM TIME:** Late  
**ZONES:** 3-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 5 per sq. ft.

## Hyacinth White

(Burpee Kitchen Garden)

White hyacinths look great alone—even better mixed with tulips. They perfume the garden as daffodils reach their peak and carry on until the tulips come into flower.

**PLANT HEIGHT:** 10 inches  
**BULB SIZE:** 16-17cm  
**BLOOM TIME:** Early  
**ZONES:** 4-7  
**SUNLIGHT:** Full  
**DEPTH:** 5 inches  
**DENSITY:** 3-4 per sq. ft.
