

2011 Maine Fairy House Festival Fairy Craft Workshops

Please call our office at (207) 633-4333 to register your child for one or more of these fantastic workshops. Workshop times are in the morning of each festival day so that class participants can still enjoy the afternoon's schedule of events. Class space is very limited, so call to register soon!

Making Fairy Pets with Nancy Glassman

Time: Friday, August 5; 10:00 a.m.

Price: \$10/child; please have an adult accompany class participants

Fairies are small, so naturally they have tiny pets to fly about with them. They are partial to beauty, so they choose the brightest lady bugs, loveliest butterflies, glittery dragonflies, and beetles with wing cases that glisten like jewels. They also charm insects that you and I have never before laid eyes upon. Open your imagination to create your own sparkling fairy pets to go home with you.

Make a Secret Fairy Garden with Nancy Glassman

Time: Friday, August 5; 12:00 noon

Price: \$10/child; please have an adult accompany class participants

Only a lucky few catch a glimpse of the fairies' secret gardens. Come make your own fairy gardens with colors that glow, shimmer and shine. Carry them home with you to glimpse inside whenever you need to feel felicitous. If you listen carefully, you might hear the fairies laughing along with you.

Make a Take-Home Fairy House with Susan Beebe

Time: Saturday, August 6; 10:00 a.m.

Price: \$10/child; please have an adult accompany class participants

Susan Beebe, an environmentally conscious artist located in Rockland, Maine, will lead your child in this wonder-filled workshop. Your fairy fan will enjoy using natural materials and paper mâché to create a fairy house you can take home with you. Feel free to bring any materials from your own woods, such as pinecones, acorns, or seedpods; however ample materials will be provided.

Making Fairies and Fairy Babies with Susan Beebe

Time: Saturday, August 6; 12:00 noon

Price: \$10/child; please have an adult accompany class participants

In this class, children will make some wee characters to play with in the garden or to dwell in the fairy homes. All materials will be provided – come ready for a delightful time!

Dragonfly-Mobiles with Cindy Farnham

Time: Sunday, August 7; 10:00 a.m.

Price: \$10/child; please have an adult accompany class participants

Participants in this class will create a shimmering dragonfly mobile, made of natural materials. You can just imagine the fairies gliding away on the backs of these special insects. What a perfect to hang in a bedroom as a reminder of the festival!

Flower Fairies with Cindy Farnham

Time: Sunday, August 7; 12:00 noon

Price: \$10/child; please have an adult accompany class participants

Fairies and flowers go hand in hand and often fairies dress up to look like their favorite flowers. In this class, children will leave with one or more whimsical flower fairies, all dressed up in their fairy best. Children will love making these dolls and using their creativity in this craft class!
